benefits from an urban location in the heart of Paris, close to the most beautiful avenue in the world, the *Champs Elysées*, the *Palais des Congrès*, and one of the largest business districts in Europe, *La Défense*. It is also adjacent to two other cities (Levallois-Perret and Neuilly-sur-Seine) that offer very good housing options for students to stay during their studies.

Like all of ESCP's campuses in Paris, the Champerret campus has an unobstructed view of the city from several classrooms! With a surface area of 10,000 m², many improvements are underway to welcome students in the best conditions.

Academic

Master in Management

From a selection of approximately 70 electives depending on the semester, taught in English, we provide a stimulating environment for students to develop their skills and knowledge.

Electives are either taught 3h per session once a week, during 10 weeks or 6h per session, during 5 weeks, starting either at the beginning of the semester or mid-semester.

The maximum workload authorised is 180 hours (30 ECTS) per semester, which is a maximum of 6 courses of 30 hours, or a combination of 30-hour and 15-hour courses (excluding language classes). Note that students are not allowed to take more than 6 courses during their exchange semester.

Our Summer semester programme is an intensive 4-week study programme offering a limited number of regular electives (120 hours - 20 ECTS maximum). 1 student enrolled in the Summer semester counts as half a spot in our balances.

Exchange students may enrol upon arrival in a weekly French class, at no additional cost. All French levels are accepted, as the course will divide students into groups. Note that there is also possibility to attend the French course for no credit as an auditor.

Innovative teaching, based on case studies, group projects, workshops, lectures provided by faculty and executives from ESCP's corporate partners, give students all the skills they need to enter the job market.

Final exams are held during the last course session. The final assessment for electives might include: essays, in-class presentations, written quizzes and examinations, and group projects.

Practical

- If studying at ESCP for a semester or more, students need a “VISA VLS-TS” *long séjour pour études* (extended stay study visa with residence permit). Valid for more than 90 days to 1 year.
- If studying at ESCP during the summer semester, students need a “VISA DE COURT SEJOUR” (short-stay study Visa). Valid for 90 days only.

It is your responsibility to check with the nearest French Embassy/Consulate for the latest visa information.

To apply for an extended stay study Visa VLS-TS in a country where a CEF (*Centre pour les études en France*) procedure is in force, you must go through the CEF procedure (also known as “Pastel”). Online application:
